## ÄNGBY SUMMERCAMP 2025

Welcome to one of the biggest training camps in Europe, a camp for all ages and for players that have been playing for a couple of years up to national team players. This year the camp is for "only" five days and after the camp we have our annual tournament "Ängby Summerpool" for 2 days. All coaches are led by head coach Jens Fellke. We have moved out from Vällingbyhallen and temporarily going to be in 2 tents 700 meters from Vällingbyhallen.

**"We expect players and coaches from Sweden, England, Germany, France, Latvia, Finland, Denmark, Estonia and maybe even more countries taking part this year."**

All players will be treated individually, working a lot on their main improvement areas at the table. All players will get advanced multi ball practice. physical training. evaluation and an individual education plan to bring home brain training and relaxation (optional).

All players will be evaluated at the end of the week

As always we will have a high number of professional coaches from different countries working, assuring that you as a participant will develop your table tennis skills significantly. You will be seen and supported both as a player and an individual.

You will for sure have fun.

The experienced trainer's team is from different countries and table tennis cultures, making the camp to an innovative international melt pot of excellent standard.
